

The 12th Edition of ENGIMACH is ready to kick start from Ahmedabad

India's premier and most trusted Technology and Innovation show, ENGIMACH's 12th Edition will provide platform for highly evolved prospects and entrepreneurs from all over the world. The 12th ENGIMACH, a globally acclaimed Engineering, Machinery and Machine Tools Show with focus on Technology and Innovation will be held in Ahmedabad, from 3rd to 7th December 2015 at state of the art newly built and one of the largest exhibition venues in the country Nr. Mahatma Mandir, Gandhinagar, Gujarat, India.

Gujarat is very strong in the petroleum sector and is considered the petro capital of India is also the Hub of Agro and food processing, dairy, chemicals, textiles and apparels, engineering and auto, gems and jewellery, oil and gas, IT and power Engineering and Machine Tools Industry.

The fame, name and the popularity ENGIMACH has achieved till ENGIMACH 2013 being organized in the open ground in the temporary structures is only to grow in every respect in 2015 as it will be held at The Exhibition and Convention Centre, admeasuring 102,000 Sq mtrs and spread over 45 acres, is designed to encompass 15 Exhibitions halls with state of the art technology and infrastructure with administrative block , over 10 T/m2 load bearing capacity foundation, adequate power supply and infrastructure to supply Water and compressed air , will offer the most apt infrastructure for display of technology and live machine demonstration. With its elegant and spacious environment, inspirational and creative setting, well-equipped facilities under the able supervision of K and D communication event management team, you will find a destination meeting all your Exhibition needs. ENGIMACH covers 40 sectors of the Manufacturing industry. It offers an ideal launch pad for new ideas, products and services, conducive environment for forging joint ventures and collaborations and an open marketplace to source ideal solutions. In sum, ENGIMACH 2015 is the open-access doorway to the global marketplace and a business solution with over 20 countries all over the world participating.

It becomes very important to be part of the show as Gujarat is the only state in India where the state government has framed policies in almost all key sectors such as industry, power, ports, roads, agriculture and minerals. Gujarat's Industrial Policy, 2009, offers attractive incentives and concessions for prospective investors.

Some of the Major National & International Exhibitors:

- AJAN India
- Bharat Fritz Werner Ltd
- Cosmos Impex (I) Pvt Ltd.
- Lakshmi Machine Works Ltd.
- Tal Manufacturing Solution Ltd.
- Carl Zeiss India (Bangalore) Pvt Ltd.
- Delta India Electronics Ltd.
- Electromech Material Handling Systems (I) Pvt Ltd.
- Fanuc India Pvt Ltd.
- Fini Compressor (Italy)
- FUJI Electric India Pvt Ltd.
- Ingersoll Rand India,
- Janatics India
- Pneumax Pneumatic
- Jyoti CNC Automation Ltd.
- Lorch Welding Products
- MAHR GmbH ESSLINGEN
- MASTERCAM-USA
- Messer Cutting Systems
- Mitsubishi Electric (I) Pvt Ltd
- MMC Hardmetal (I) Pvt Ltd.
- PEPPERL + FUCHS (I) Pvt Ltd.
- Renishaw Metrology Systems Ltd.
- Ringfeder Power Transmission

- Shanghai Hanbell Precise Machinery Co. Ltd.
- Singhal Power Presses
- Summits Hygronics Pvt Ltd.
- BDS Maschinen GmbH
- Electronica Hitech Machine Tools Pvt Ltd.
- Grind Master Machines

This year, ENGIMACH is showcasing an exhaustive range of innovations and technology in the complete product range of engineering, machinery and machine tools industry. The key attributes of the show are:

- Knowledge
- Technology and Growth
- Institution support for technology innovation
- Technology innovation and enterprise development
- New explorations of innovations system and strategy

ENGIMACH will feature over 750+ exhibitors and will exhibit a wide range of industrial products covering more than 3000 products spread over 21000 sq. mtrs. of constructed halls. ENGIMACH will provide a unique opportunity and platform for all the participating companies to showcase their manufacturing capabilities and it will also provide international exposure to them which are pre-requisite for today's competitive market.

Through its worldwide networking, pre-emptive planning and execution, intelligent space management and meticulous control of macro and micro level logistics, the group ensures that every participant of ENGIMACH gains from the event. The extraordinary care that goes into every aspect of the event and the gains that participating companies have garnered in real terms, have made ENGIMACH a permanent date in corporate calendars of hundreds of companies across India and other Asian countries.

Show highlights:

- Business Conferences
- CEO Meets
