

The Much Awaited **ENGIMACH IS BACK!**

International trade fair for Engineering Machinery,
Machine Tools, Manufacturing and Automation

ENGIMACH 2023

TECHNOLOGY | INNOVATION

6-10 December, 2023 | Helipad Exhibition Centre, Gandhinagar

SAVES THE DATES!

For a NEW INDIA speeding towards USD 5 Trillion Economy by 2026-27!

Latest Manufacturing Technologies, Innovations, Machine Tools and Automation for Reliable Large-Scale Manufacturing of Products with Internationally Competitive Quality and Cost

TECHNOLOGY AND INNOVATION FOR MODERN MANUFACTURING

After the rousing success of the 2021 edition, the expectations from ENGIMACH 2023 have also risen! India, the only large economy expected to grow significantly in coming years is racing towards becoming a USD 5 Trillion economy by 2026-27! Though driven largely by domestic demand, this is also fueled increasingly by the demand to

manufacture for the world. To fulfill this pressing demand for large-scale reliable manufacturing of products of international quality at competitive cost, there is an intense and wide-spread influx, adoption and development of suitable modern manufacturing technologies, innovations, processes, machine tools and automation. ENGIMACH 2023 promises be a major catalyst in this direction and significant business outcomes are expected. The 16th edition of the trade show is primed to live up to the expectations. If you haven't done so already, book your participation now!

HIGHLIGHTS

- TECHNOLOGY SEMINARS
- START-UP AND INNOVATION SUMMIT

- B2B MEETS
- INTERNATIONAL BUYER-SELLER MEET
- INDUSTRY LEADERS AS SPEAKERS
- CITY TOUR

Why Participate?

- Showcase and Find Solutions
- Network with the Right People
- Launch New Innovations & Ideas
- Make Alliances & Collaboration
- Connect with Buyers & Sellers
- Learn from Industry/Thought Leaders
- Build your Brand / Develop Business
- Gain Industry Intelligence
- Discover Trends and Trajectory
- Learn about the Competition

Honourable CM Bhupendrabhai Patel inaugurating Engimach 2021

ENGIMACH 2021, Asia's most dynamic Engineering, Machinery, Machine Tools and Automation Exhibition, was inaugurated by Shri Bhupendrabhai Patel, Chief Minister of Gujarat, amidst a large number of industry representatives, senior government officials, dignitaries and other veterans of the industry. ENGIMACH 2021 was the first largescale trade exhibition in Gandhinagar since the pandemic and was declared as a Pre-Vibrant Gujarat Global Summit 2022 event. It was an exceptional event and an important milestone for the industry.

INDUSTRY VISITOR PROFILE

Product Showcase

CNC Hydraulic Press Brake

ISGEC is the largest manufacturer and metal forming solution provider for Presses & Press Brakes in India, with world class manufacturing facilities in

Yamunanagar, Bawal (Haryana) India and ISGEC Eagle Canada catering to Automotive, Auto Component, White Goods, Railways, Defence, Aerospace, Nuclear and diverse industry sectors. We have supplied Mechanical, Hydraulic Presses and CNC Hydraulic Press Brakes to renowned Japanese, American & European MNCs and also major Indian OEMs.

ISGEC installations are around the globe with over 5000+ Presses (400MT to 12500MT), 100+ Transfer Presses and 70+ Press Lines in more than 26 countries.

CNC Profile Cutting Machines

Pro-Arc is a globally acclaimed Indian manufacturer of CNC cutting solutions for more than 3 decades since its establishment in 1991. Headquartered in Pune, Maharashtra, with 50,000 sq. ft. state of the art manufacturing facility at Bhosari MIDC, Pro-Arc has a production capacity of more than 150 machines a year.

Our product range of advanced CNC cutting technologies includes robust plasma & oxyfuel machines, high-speed laser cutting & welding solutions and precision drilling solutions.

With a worldwide network of dealers, Pro-Arc has supplied machines to over 2000 content customers across 5 continents. Our highly qualified service engineers provide 24x7 service support ensuring that businesses never come to a standstill & For the NON-STOP you.

Optical Measuring Machine

Easily capture things that are better left untouched with ZEISS O-DETECT. ZEISS O-DETECT is an optical measuring machine that offers intuitive operation, high-quality imaging and flexible lighting for precise measurements in an instant. The technology is suitable for a wide variety of components but excels with those that are best left untouched.

Fields of Application are Industries like Electronics, Casting, Industrial Job Shop, Stamping, Medical and Automotive. ZEISS O-DETECT can also be used for Parts like 3D workpiece (one side), Small parts, Turned parts and Flat parts.

LASER MACHINES

Sigma Mechatronics Pvt. Ltd. is one of the Leading manufacturer, supplier, sales & service provider of quality oriented Laser Machines under make in India concept at Ahmedabad-Gujarat-India. The Company is serving into Laser industries for over 25 years by manufacturing and supplying of Fiber Laser Cutting/Marking/Welding/Cleaning and Diamond Laser Cutting 4P/8P Machines.

Why Choose Us

- Trust - Rich Experience in Laser Industry
- Best after sales service (24/7* within Gujarat & 48* hrs. in other States)
- Own Manufacturing Plant - 7-10 Machine Production Capacity

TESTIMONIALS

Mazak

ANIL BHARDWAJ
(MD, Yamazaki Mazak
India Pvt Ltd)

It is our first time as an exhibitor in ENGIMACH. Most of the visitors are interested in investing in new machines and have contributed as a quality lead that can be converted in the near future.

BHAVYA™
An ISO 9001 : 2015 Certified Company

ROHIT SHAH
(CEO, Bhavya Machine Tools)

We have been participating in all of the exhibitions of K and D Communication since 1997. It's the first exhibition after Covid-19, and we are getting a great response. There's always a quality crowd in KDCL's exhibition. We got a lot of new customers in ENGIMACH 2021.

SLTL™
SOLUTIONS

**SAHAJANAND LASER
TECHNOLOGY LTD**

ENGIMACH is a great platform to meet new customers as well as those who are willing to or planning to enter into new business. This is the only show which surprises us every time with lot of new customers and application industries.

Mazak

VIVEK SHARMA
(VP, Yamazaki Mazak
India Pvt Ltd)

Our team is very happy with the whole event. ENGIMACH 2021 offers quality visitors varying from students to investors. K and D Communication is a highly professional organisation. We look forward to participating again.

**AceMicromatic
Group**

**MICROMATIC MACHINE
TOOLS PVT LTD.**

ENGIMACH has given us a platform to show our technology and products to a vibrant market call Gujarat. Due to this show we have got new market, huge customer base and have grown our business at a scale like never before.

**HINDUSTAN
HYDRAULICS**

**HINDUSTAN HYDRAULICS
PVT LTD**

Lot of potential customers have visited even though the market is sluggish and this is the USP of ENGIMACH and K&D.

**LMW. MACHINE
TOOL DESIGN**

I. N. BHATTACHARYA
(VP Sales & Marketing,
Lakshmi Machine Works Limited)

There are many more exhibitions on the line but the response in ENGIMACH 2021 has been very good. We received fantastic opportunities that have generated quality inquiries. A lot of orders have been finalized.

**ENERGYMISSION
MACHINERIES (INDIA) PVT. LTD.**

**ENERGY MISSION
MACHINERIES PVT LTD.**

We are always happy to participate in ENGIMACH, as no of leads and business conversion ratio of this show is excellent. We are sure this will go much ahead in future.

TOOLTECH™

RAJESH DOBARIA
(Director,
Tooltech Industries Korloy India)

We have been a part of ENGIMACH since 2014. The platform of ENGIMACH has helped us get business in Gujarat. With their support, we have become an authorized distributor for the Gujarat region.

Innovative International Ltd.

KUNAL BHALODIA
(Director,
A Innovative International Ltd)

We are one the firsts to participate in ENGIMACH and have been participating ever since. ENGIMACH 2021 has more visitors than their previous editions. We have generated inquiries from pan India and across the globe.

**PRO-ARC
WELDING & CUTTING SYSTEMS PVT. LTD.**

**PRO ARC WELDING
& CUTTING SYSTEMS
PVT. LTD.**

We have participated in many other exhibitions, but the way ENGIMACH is organized is excellent. It is more professionally organized many exhibitions we have participated in.

MTI

MACHINE TOOLS INDIA

ENGIMACH has been a successful exhibition. We did not expected so much crowd in the show because the market is pretty low. However considering the response we have done very good business. On 3rd day of exhibition we closed orders of 10 machines worth \$1million in this show. We have also launched industry 4.0 software in this exhibition.

**INCREDIBLE
MACHINES**

INCREDIBLE MACHINES

ENGIMACH is an excellent platform. We have really good amount of quality visitors at our stall and we thank the organisers for such a wonderful exhibition.

Sparkonix

SPARKONIX INDIA PVT. LTD.

We have been participating in ENGIMACH since 1997. This is the one company I have seen growing by leaps. We are really happy with the show and congratulate the team for organizing such a wonderful exhibition. We assure of our continued participation in all the exhibition organized by KDCL.
