EXPLORE A WORLD OF OPPORTUNITIES

The Castings and Foundries Exhibition 2024 is a premier event showcasing the dynamism and innovation in the metal castings sector. From traditional foundry techniques to state-of-the-art manufacturing processes, this exhibition offers a comprehensive platform for industry professionals and enthusiasts.

WHY PARTICIPATE?

Explore a diverse range of castings materials, techniques, and equipment.

Learn about the latest trends and developments shaping the future of the industry.

Network with leading manufacturers, suppliers, and industry experts.

Attend insightful seminars and workshops on castings technologies and best practices.

Discover business opportunities and potential partnerships

AN OPPORTUNITY TO BE AMONG
200+ BUYERS
OF CASTINGS AS EXHIBITORS AT

RMTS 2024, the 9th edition of the trade fair for Machine Tools, Manufacturing and Engineering goods will resume its focus on cutting-edge technologies and innovative products and services. The enterprise and genius of the local industry will be displayed alongside the research and development of the national and international leaders. The local industry will enhance its outreach to lucrative national and international markets while the established leaders will explore regional markets. The previous editions of RMTS witnessed a large number of high caliber participants and visitors from India and abroad. Buyer-Seller programs, B2B Meetings and Seminars witnessed large-scale participation. All participants testified to rich interactions and substantial, lasting benefits.

BUYER-SELLER MEETS

Over 2 days, 30 International Delegates (castings buyers) from 14 countries met 38 Indian Foundries (castings sellers)

TESTIMONIALS

FROM THE EXHIBITOR'S VOICE

“...The footfall in the first 2 days was good and I hope last 2 days will be even better. Yes, we will surely participate in the next edition...”

Mr. Dinesh Garg, Director,
BEHARI LAL ISPAT PRIVATE LIMITED

“...we are very much satisfied with the crowd. Yes such exhibitions focused on foundries will surely boost our industry as well as the castings industry...”

Mr. Saurabh Bhardwaj, Head Foundry Vertical,
ELECTROTHERM (INDIA) LIMITED

“...this type of exhibitions focused on foundries will definitely bring the exhibitor very good benefits. Yes, definitely we will participate in next edition of Castings & Foundries Expo...”

Mr. Dushyant Gondalia, Executive Director,
GORECHA METAL TECH PRIVATE LIMITED

“...We have found number of good visitors from different industries, segments and States of India. We would definitely like to participate in the next edition...”

Mr. Ritesh Patel, Director & Chief Executive Officer,
HEATTRANS EQUIPMENTS PRIVATE LIMITED

“...Thanks to K and D for organizing such an exhibition focused on foundries. Yes this experience was good and we will definitely join the next edition...”

Mr. Manish Sahu, Assistant Manager (Product Development),
JALPA DEVI ENGINEERING PRIVATE LIMITED

“...Yes, it's a great platform for buyers and suppliers to meet in one place. We will participate again on this kind of platform...”

Mr. Shailesh Bhuvra, Director,
REVOLVING TEHNO CAST

“...are thankful to K and D for attempting this. We hope that this exhibition will grow multifold in the next two or three editions. Yes we wish to come in 2025 also...”

Mr. Vijay Purohit, Sales Head,
STAR PIPE FOUNDRY (INDIA) PRIVATE LIMITED

EXHIBITOR PROFILE

PRODUCERS OF:

- S.G. Iron
- Grey Iron
- Steel & Alloy Steels
- Investment Castings
- Lost Foam Castings
- Aluminium Die-castings
- Non Ferrous & Others
- Foundry Chemicals
- Foundry Plants / Machines
- Die-castings Machines & Plants
- Furnaces & Accessories
- Automation / Robotics
- Material Testing & Handling Technology
- Sand Preparation, Treatment & Reclamation
- Foundry Plants And Installations, Planning, Construction, Engineering
- Melting Shop
- Refractories Technology
- Metallic Charge Materials
- Moulding And Core-making
- Moulding Sands
- Moulding Sand Preparation And Sand Reclamation
- Moulding Auxiliaries
- Gating And Feeding
- Castings Machines And Pouring Equipment
- Peripheral Equipment And Auxiliary Materials For Die Castings
- Knock-out, Fettling And Finishing
- Surface Treatment
- Welding And Cutting
- Heat-treating And Drying Furnaces
- Transportation And Storage
- Manipulation
- Pattern And Die-making
- Control Systems
- Measurement And Test Technology
- Compressed-air Technology
- Exhaust And Ventilation Technology
- Environmental Protection And Waste Removal
- Industrial Safety And Ergonomics
- Information Processing
- Additive Manufacturing
- Consultation, Planning, Services
- Associations, Trade Publishers, Trade Journals
- Training, Further Education

VISITOR PROFILE

- CEO Level Professionals
- R&D Personnel
- Technical Managers
- Industry Consultants
- Sales & Purchase Managers
- Production Managers
- Engineers & Contractors
- Investors
- Industry Experts
- Marketing & Distribution Personnel
- Government Officials
- Foundries
- Foundry machinery supply industry
- Suppliers of raw and auxiliary materials and process materials for foundries
- Vehicles industry
- Mechanical engineering industry
- Iron, steel and non-ferrous metal industry

PARTICIPATION CHARGES

	Standard Booth (per sq. m.)	Bare Space (per sq. m.)
Manufacturers	₹10,000/-	₹9,000/-

Premium Position Charges:

2 sides open 15% extra / 3 sides open 25% extra
4 sides open 30% extra

ELECTRICITY (EXTRA FACILITIES)	COST
Before exhibition (single phase)	₹4,000 per HP
During exhibition	₹4,000 per HP

COMPRESSOR (EXTRA FACILITIES)	COST
3 CFM/100 psi	₹15,000 per connection
6 CFM/100 psi	₹20,000 per connection
10 CFM/100 psi	₹25,000 per connection

Taxes extra as applicable on all rates mentioned

SHELL SCHEME FACILITIES

(PER 9 sq.m.):

Pre-fabricated stall with exhibitor's name on fascia, one table, two chairs, three spotlights, one 5A plug point, three exhibitor badges, 250 invitation cards, one dustbin and carpet flooring.

Participants opting for BARE SPACE will not avail of the Shell Scheme Facilities mentioned above except 250 invitation cards and exhibitor badges commensurate to their area booked. They will be responsible for the design, construction and furnishing of their stall and will be charged extra for electricity.

YOUR PARTNER IN GROWTH SINCE 1995

A pioneering trade fair organizer in its 30th year, K AND D COMMUNICATION LIMITED (KDCL), has consistently fuelled economic growth by organizing 100+ national and international exhibitions all across India in different industrial segments. Its portfolio of highly acclaimed trade show brands includes ENGIMACH, INDIA MACHINE TOOLS SHOW, RAJKOT MACHINE TOOLS SHOW, PUNE MACHINE TOOLS SHOW, PUNJAB MACHINE TOOLS SHOW and ITMACH INDIA. KDCL is also a renowned provider of turnkey solution - from concept to completion including stall booking - for many prestigious international trade shows organized by state governments and trade associations.

KDCL helped develop the Helipad Exhibition Centre (HEC) in Gandhinagar, Gujarat. It is one of the largest exhibition centres in India and the largest in Gujarat. Equipped with world-class infrastructure, HEC is the venue of choice for leading international trade shows and events.

K and D Communication Limited is dedicated to creating outstanding trade show platforms that contribute significantly to economic growth and prosperity.
